## REPORT OF THE HOPEDALE TOWN FINANCE COMMITTEE

Mr. Moderator:

To the Citizens of the Town of Hopedale:

In accordance with its duty, as provided by the By-Laws of the Town of Hopedale, the Finance Committee has given careful consideration to all Articles in the Town Warrant that involve the expenditure of money, and presents in this report its recommendations on such Articles. The Committee has obtained information from and consulted with various departments and officials of the Town and believes that the appropriations it has recommended are the minimum amounts with which essential and necessary services can be rendered to the citizens.

The appropriations for 1960 recommended by the Finance Committee amount to a total of \$749,870 as compared with \$725,700 for last year, an increase of \$24,170. The recommended appropriations are shown in some detail later in this report in comparison with those of 1959. The principal increases are \$25,655 for School Department expenses and \$18,500 in Hope Street bridge repairs. The principal decrease was \$26,000 in a special article not repeated, in respect of the additional water supply.

The Finance Committee recommends that under Article 17 the sum of \$55,000 be transferred from available funds to apply against the tax rate of 1960. The amount of the Town's available funds (or "free cash") at January 1, 1960, as certified by the State Director of Accounts, was \$95,990, and we believe that only about one half of this should be used. Last year there was \$54,500 of available funds used at the Annual and Special meetings.

After deducting recommended amounts to be transferred from funds available from free cash and the sale of cemetery lots, there will remain a net total of \$694,745 to be used by the Assessors in fixing the tax rate. If the recommendations of the Finance Committee are followed, we estimate that the 1960 tax rate will be around \$60.00, an increase of \$2.50 over 1959. The following condensed summary shows how the 1959 tax rate was determined and the estimated figures for 1960.

Parents and others are requested to carefully examine the following lists and if any errors or omissions are discovered report them at once to the town clerk, that the record may be corrected, as it is of importance that the record of Vital Statistics should be complete. Herewith are extracts from the General Laws of Massachusetts, Chapter 46.

Section 3. Every physician, or hospital medical officer registered under Section nine of Chapter one hundred and twelve, in this chapter called officer, shall keep a record of the birth of every child in cases of which he was in charge showing date and place of birth, the name, if any, of the child, its sex and color, the name, age, birth place, occupation and residence (including the street number, if any) of each parent, the maiden name of the mother and the name of the physician or officer, if any, personally attending the birth. If the child is illegitimate, the names of and other facts relating to the father shall not be set forth except upon written request of both the father and mother. Said physician or officer shall, within fifteen days after such birth, mail or deliver to the clerk or register of the town where such birth occurred, a report stating the facts herein above required to be shown on said record and also the said written request, if any provided, that if said report is not so made within forty-eight hours after such birth, said physician or officer shall, within said forty-eight hours, mail or deliver to said clerk, or registrar a notice stating the date and place of the birth, the street number, if any, the ward number, if in a city, and the family name. Upon presentation to him of a certificate of the town clerk stating that any such birth has been duly

reported, the town treasurer shall pay to such physician or officer a fee of twenty-five cents for each birth so reported. Any physician or any such officer violating any provision of this section shall forfeit not more than twenty-five dollars.

Section 4. A member or servant of a family in which a child is born, having knowledge of the facts required for record relative to such birth, shall furnish the same upon request of the clerk of the town where such child was born or its parents reside, or of any person authorized by him. Such member or servant refusing to furnish such facts shall be punished by fine not exceeding ten dollars.

Section 6. Parents, within forty days after the birth of a child, and every householder, within forty days after a birth in his house, shall cause notice thereof to be given to the clerk of the town where such child is born. Every householder in whose house a death occurs and the oldest next of kin of a deceased person in the town where the death occurs shall, within five days thereafter, cause notice thereof to be given to the board of health.

### REPORT OF THE TREE WARDEN AND SUPERINTENDENT OF INSECT PEST CONTROL

To the Board of Selectmen,

Hopedale, Massachusetts.

Gentlemen:

I submit to you my report as Tree Warden, and Superintendent of Insect Pest Control for the year ending December 31, 1960.

Thirty trees were planted along various streets in town. Some of them were a continuation of our regular replacement plan, and the rest of them were replacements made by the Worcester County Electric Co. for trees that they had to remove when they put their high voltage line in on Plain Street.

Street traffic was made safe by the removal of the broken and dead limbs overhanging the streets and several dead trees

being removed. Three trees were blown over and several limbs were broken during hurricane "Donna".

All streets were checked and sprayed, wherever needed, for Poison Ivy Control.

An April 22nd a 12 per cent DDT was applied by air to the Elms for control of the Elm Bark Beetle, and also to the swamp areas for the control of Mosquito Larvae.

On May 21, Scoutmaster George Daniels and several of the Boy Scouts assisted me in placing DDT impregnated granules in all catch basins and swamp areas for further aid in the control of Mosquito Larvae.

I would like to express my sincere thanks to the Scouts for this very worthwhile service.

On May 27th and July 7th a 6 percent DDT and 1 per cent Malathion spray was applied from the air for the general control of Insect Pests.

Thirty-four samples taken from suspected "Dutch Elm" diseased trees were sent to the Shade Tree Laboratories, University of Massachusetts, Amherst, Massachusetts. Thirty-two proved to have the disease and were promptly removed and destroyed as required by Chapter 657 of the General Laws.

Again I would like to express my sincere appreciation to those property owners who, having had "Dutch Elm" diseased trees, promptly disposed of them.

Respectfully submitted,  
W. CHESTER SANBORN,  
Tree Warden and  
Supt. of Insect Pest Control.

During the year about 7,000 feet of streets were resurfaced with "mixed-in-place." Streets involved were Mill, Freedom and Greene. State funds from Chapter 718 were used for a part of the cost. Also, about 14,000 feet of streets were treated with seal coat material.

About 4,500 feet of sidewalks were resurfaced on Adin, Hopedale, Hill, Cross, Northrop, Park and Dutcher Streets.

A new cable fence was erected at Spindleville Pond and withstood its first onslaught by an automobile.

Hope Street Bridge supporting structure was rehabilitated under a special appropriation. The steel structure was cleaned, repaired and painted and the stone abutments and piers were repaired. The next step in rehabilitation will involve the wooden decking and stringers.

Respectfully submitted,

Year Ending December 31, 1960

The entire community as well as the Park Department suffered a grievous loss when our playground supervisor Mr. F. Carlton Miner passed away during the summer. Countless hundreds of Hopedale children will remember him as the man who taught them to swim, organized their games or coached them in school athletics. The enviable reputation that our Summer Park Program enjoys is due in large measure to the direction it received over the years from "Carl" Miner. He will long be missed and fondly remembered.

*Playground*

Mr. Charles Espanet filled the supervisor's position for the latter half of the season.

The summer program was again popular with the town's children. Tennis lessons were provided for adults as well as children. Archery was particularly popular among the juniors.

The school bus was used again this year to transport children living at a distance from the park and pond.

New steel bleachers and player's benches were installed on permanent foundations to replace the wooden bleachers which were beyond economical repair.

### *Bath House*

Mr. William Ohlson, Jr. filled the swimming director's position for the latter half of the season. The bath house and beach were thronged all through the summer, and 191 children passed the various swimming tests. It appears that the beach will again have to be extended in the coming season to accommodate the growing number of children and adults using the swimming facilities.

### *Reservation*

The second year's (of our three year program) treatment for weed eradication was applied by our consulting specialists with conspicuous success.

The usual cutting of underbrush continued. A motorized cutter-bar was purchased to improve this program.

### *Contemplated Improvements for 1961*

1. Replacement of present 1957 model Jeep
2. Expansion of beach at pond
3. Fabrication of scraper to smooth the ice for skating

Respectfully submitted,  
THOMAS H. WEST

## REPORT OF THE LIBRARIAN

The Librarian respectfully submits the seventy-fifth annual report.

During the year of 1960, The Bancroft Memorial Library and its Branch at South Hopedale have continued to maintain the highest possible service to the people of Hopedale. There has been an increase of 915 over last year in the number of volumes loaned to the public. The total circulation figures for the year are 42,930 as against 42,015 for 1959.

Many students make use of our reference collection and also avail themselves of the use of our reading and reference rooms for quiet hours of study. We have borrowed books from the state division of libraries to help both high school and college students in their research for term papers. The general public also uses our rooms for reading. We would be happy to have more of our townspeople visit us, for we feel that we have a fine list of current periodicals.

We regret the loss of Mrs. Thelma Lapworth from our staff in June, but we feel very fortunate to have Miss Marie Miller, a Senior in the Junior-Senior High School, with us as a part time worker.

The Children's Room is still a very busy place and the circulation increases every year. The children in Hopedale are good readers and start using the library at an early age. Mrs. Hattersley, the Children's Librarian, had three story hours during the year, with Mrs. Thelma Lapworth, Miss Marie Miller and herself as story tellers. During Book Week in November, Mrs. Hattersley visited the two sixth grade classes, displaying the new books, and gave short book reviews. National Library Week was observed from April 3-9. A total of 114 children from Grades 1-3 visited the Children's Room during that period. There were 229 state certificates presented to readers during the school year, an increase of 22 over last year. During the summer, Mrs. Hattersley conducted a reading program for Grades 4, 5 and 6 called "Book Parade" in which 24 children registered. "Wee Reader's" certificates were presented to 32

children of Grades 1, 2 and 3 which listed the number of books they had read during the summer.

During the National Library Week in April, both adult and juvenile books were on display in the window of the Food Center. Many people came to the library to borrow the books which appealed to them. Just before this week, the two Librarians were pleased to give book reviews to the women of the Unitarian Afternoon Alliance.

Again we wish to thank the many people who made gifts to the Library of books, paper back books and magazines. The Trustees and Staff appreciate the interest and generosity shown by the public. Our heartfelt thanks go to Mrs. Irvin Ammen and Miss Helen Butterworth for their gift of a beautiful fifty star flag. We especially appreciate the lovely flower arrangements which are put into the Library every month by members of the Hopedale Garden Club. They add a great deal of color to our surroundings and are also noted and admired by our visitors and borrowers.

We were sorry to lose Mr. Robert Whitman from our Board of Trustees in March. He resigned when he left Hopedale to take a new position at Harvard University. He was vitally interested in all Library matters and certainly had the welfare of the Library and its staff at heart. We are happy to have Mr. Russell Wade join the Board in Mr. Whitman's place.

We feel we have had another successful year and are pleased to report the substantial increase in our circulation. We hope we may continue to serve you, our public, in every possible way during the year of 1961.

In closing I would like to again thank the Trustees and the Staff for their support and cooperation in helping me to serve the patrons of The Bancroft Memorial Library.

CONSTANCE L. CLARK,  
Librarian
